

## CALL FOR GRANTS AVIAMA 2020

### Puppets and mobility

**The International Association of Puppet-Friendly Cities (AVIAMA)** brings together cities and local governments around the world around puppetry and represents **a real network of cooperation and exchange**.

#### **Purpose of the scholarships:**

AVIAMA, which helps to forge links between the different countries, is particularly sensitive to the question of mobility (travel and / or reception on site), the costs of which are often a blockage to the realization of projects.

The nature of the supported project (s) must concern the field of puppetry arts in different aspects (research, learning, discovery, participation in an event ...) and take place primarily in one of the Member Cities, without excluding, nevertheless, 'other cities.

**No age requirement** but the Jury will be particularly attentive to requests from students or young professionals.

#### **Calendar:**

An appeal is launched each year.

**For the 2020 grants:** October 31, 2019

**Deadline** for sending applications: January 31, 2020

Send the complete application form to the following email address: **contact@aviama.org**

A confirmation of receipt will be sent to the candidates.

**Communication of the decision** and the amount allocated: April 15, 2020

Presentation of the Association and **full settlement** on the website
